

Grand Junction/US-6 Construction Projects

US 6/North Avenue Resurfacing

May to November 2022

Location: N. 1st Street to I-70B
(Mile Points [MP] 31-34)

Project will resurface between 1st and I-70B along US 6 (also known as North Avenue). It will also include access improvements with raised median replacements. The city of Grand Junction will complete irrigation work prior to construction. Work will be completed at night.

US 6/Clifton Reconstruction

Fall 2022 to Fall 2023

Location: US6 • I-70B to 5th Street
(MP 37 to MP 38)
I-70B • MP 12 to 12.3

Project will reconstruct US 6 with roundabouts at 1st and 5th Street intersections. It will include additional multimodal and access improvements.

CO 141 & US 6 Resurfacing

March to July 2022

Location: US 6 • 5th Street to I-70
(MP 38 to MP 46)
CO 141 • MP 157 to 160

Project will resurface CO 141 between US 50 and the Colorado River Bridge on Orchard Mesa. It will also resurface US 6 between Clifton and Palisade.
